Introduction

The term Malolos was derived from the Tagalog term Paluslos which means downwards. During the colonization era of the Spanish, this term was then translated to Malolos for euphony purposes. The town of Malolos is testimonial to breakthroughs in the annals of history being the seat of the first republic in Asia, the Malolos Constitution. By virtue of Public Law No. 88 of the Philippine Commission, Malolos became the capital of the province on February 27, 1901. Its conversion into component city was ratified by Resolution No. EPC 99-2 which was promulgated on October 8, 2001 and became final and executory on November 8, 2001. (*Malolos City Planning and Development Office*). The City of Malolos now boasts of a total population of 252,074. (*PSA:2015 Census of Population*)

The Interim Division Office City of Malolos was established on October 14, 2003 by virtue of the authorization issued by then Secretary of the Department of Education, Hon. Edilberto C. De Jesus. The Interim Division was first helmed by Dr. Juana R. Galvez, then ASDS of the Division of Bulacan. The installation of the city schools' division as a regular schools' division happened on November 25, 2004. Administration of the division was spearheaded by the following superintendents: 1. Dr. Romeo M. Alip; 2. Dr. Rolando L. Magno; 3. Dr. Zenia G. Mostoles; 4. Dr. Amancio S. Villamejor, Jr.; 5. Dr. Nicolas T. Capulong; 6. Dr. Melissa S. Sanchez and 7. Dr. Benjamin Paragas. Currently, the Schools Division is under the leadership of Dr. Merlina P. Cruz, Officer-in-Charge Schools Division Superintendent and Dr. Zurex T. Bacay, OIC –Assistant Schools Division Superintendent. The first seat of the Division was at Malolos Elementary School from 2003 – 2008. The Schools Division held office at Sta. Isabel Elementary School from 2008 -2009. Prior to transferring to its present location, the Division of Malolos held office at City of Malolos Integrated School Sto. Rosario (formerly Malolos Elementary School) from 2009 – 2013. The Schools Division Office is now located at Government Center, McArtur Hiway, Brgy. Bulihan, City of Malolos.

The City Schools Division maiden year commenced with thirty-eight (38) public elementary schools, three (3) public secondary schools and three (3) SPED Centers. In partnership with the City Government, the Schools Division has enabled the establishment of a public elementary school in every barangay of Malolos. Of the total 51 barangays, there are only 7 barangays without elementary school. In terms of the establishment of secondary schools, there are now fourteen (14) schools strategically located in the city. This is a testament to the department's commitment of ensuring that no learner should be left behind and that every school-aged learner should have access in inclusive basic education.

DepEd Malolos is classified as a medium category division and with a total of 45 public elementary schools, 14 junior high schools and 5 senior high schools. In terms of Private and Higher Educational Institutions, there is a total of 49 private elementary schools, 21 junior high schools and 19 senior high schools. DepEd Malolos also caters to 2 state university/colleges (SUCs) offering junior and senior high school curricula. A total of 1,558 teachers handle the instructional management among public schools. For School Year 2018 -2019, total number of enrolment is pegged at 26, 287 for public elementary, 15,367 for junior high school and 2,698 for senior high school.

In the past years, the Schools Division of Malolos played host to various programs namely: 1. Regional Continuous Improvement Program; 2. Regional Population Education program; and 3. Regional Schools Press Conference which featured the hospitality and excellence of Maloleños and exposed visitors to historical features of the City.

In the last National Achievement Test for SY 2016-2017, the Division's rating is significantly higher than the Regional and National ratings. These are attestations to the efforts of the Schools Division in terms of capacity building of teachers on content, continuous improvement projects by schools and mentoring of school heads and teachers to name a few.

The Schools Division has implemented programs collaboratively with various stakeholders. Such programs focused on the development of teachers in terms of ICT Literacy Program, provision of free public transportation for senior high school students in the bay area, reading and math tutorial sessions for selected elementary students, and free notarial services for various Memorandum of Agreement and Understanding. The Alalay Paaral is a scholarship program in coordination with the City Government which provided assistance in three schemes 1. Aklat Mo Sagot Ko; 2. Anak ng Tanod; 3. Allowance sa Pag-aaral for needy but deserving students. For teacher scholarship, this is in coordination with the Bulacan State University for culture and arts programs. DepEd also supports Literacy in each Barangay and the Early Childhood Care Development Program.

DepEd Malolos faces with optimism the challenges of the emerging education sector. Educating the youth and the future leaders of this country should always be the focus of every undertaking of the Schools Division. This a noble call to continuously serve and care for the future of Maloleño youth.

Dep Ed Vision

We dream of Filipinos
who passionately love their country
and whose values and competencies
enable them to realize their full potential
and contribute meaningfully to building the nation.

As a learner-centered public institution,
the Department of Education
continuously improves itself
to better serve its stakeholders.

Dep Ed Mission

To protect and promote the right of every Filipino to quality, equitable, culture-based, and complete basic education where:

Students learn in a child-friendly, gender-sensitive, safe, and motivating environment.
Teachers facilitate learning and constantly nurture every learner.
Administrators and staff, as stewards of the institution, ensure an enabling and supportive environment for effective learning to happen.
Family, community, and other stakeholders are actively engaged and share responsibility for developing life-long learners.

OUR CORE VALUES

Maka-Diyos
Maka-tao
Makakalikasan
Makabansa

OUR MANDATE

The Department of Education was established through the Education Decree of 1863 as the Superior Commission of Primary Instruction under a Chairman. The Education agency underwent many reorganization efforts in the 20th century in order to better define its purpose vis a vis the changing administrations and charters. The present day Department of Education was eventually mandated through Republic Act 9155, otherwise known as the Governance of Basic Education act of 2001 which establishes the mandate of this agency.

The Department of Education (DepEd) formulates, implements, and coordinates policies, plans, programs and projects in the areas of formal and non-formal basic education. It supervises all elementary and secondary education institutions, including alternative learning systems, both public and private; and provides for the establishment and maintenance of a complete, adequate, and integrated system of basic education relevant to the goals of national development.

IMPLEMENTATION OF DepEd PROGRAMS AND PROJECTS

Division Computerization Program (DCP) Recipients

DepEd Computerization Program (DCP) is to provide public schools with appropriate information and communication technologies (ICT) that would improve the teaching and learning process. It is among DepEd's efforts to raise the ICT literacy to learners, teachers, and school heads by integrating ICT in the school system by providing laboratory packages to secondary schools and electronic classrooms to elementary schools.

DepEd launched the National Schools Maintenance Week in May 2003. Brigada Eskwela, the program brought together teachers, parents and community members every third week of May to work together in repairing and preparing public schools for school opening. In the spirit of bayanihan, private institution/individuals and even the local government units contributed in generating resources for the effort. During the week-long event, volunteers take time out in doing minor repairs, painting, and cleaning of school campuses.

SCHOOL BASED MANAGEMENT EVALUATION RESULT SY 2016-2017

Through school-based management, schools have more autonomy and assume greater responsibility to create an environment that is conducive to continuous school improvement and to put in place a self-evaluation mechanism to assure the quality of learning and teaching. The ultimate aim of school-based management is to improve the standard of teaching and students' learning outcomes through the concerted efforts of the key stakeholders, the leadership and commitment of frontline educators and the support of the Government.

ALTERNATIVE LEARNING SYSTEM

ALTERNATIVE LEARNING SYSTEM (ALS)

It is a parallel learning system in the Philippines that provides a practical option to the existing formal instruction. When one does not have or cannot access formal education in schools, ALS is an alternate or substitute. ALS includes both the non-formal and informal sources of knowledge and skills.

OPEN HIGH SCHOOL PROGRAM (OHSP)

This refers to the alternative mode of secondary education that addresses learning problems of Student-At-Risk-of-Dropping –Out (SARDOs) who cannot join the regular class program due to justificable reasons. These reasons may include physical impairment, employment, distance of home to school, education design, family problems and the like. It is implemented in the secondary level with the use of modules. Learners must be capable of independent learning. *(DepEd Order No. 46 s. 2006)*

RELEASED
Date OCT 11 2018

To: SDO Personnel
Public Elementary and Secondary School Heads
All Others Concerned

1. The City Schools Division of Malolos will conduct Psychological First Aid Seminar for Nurses and Clinic Teachers on October 12-13, 2018, from 8:00 am to 5:00 pm, at Bahay Kawayan, MUPSNHS.

2. The participants are expected to:
a. provide psychological support to children affected by traumas, emergencies and disasters.
b. establish educational structure where children feel included
c. promote restoration of normal childcare
d. provide dependable, interactive routine through school or other organized educational activity
e. offer group and team activities that require cooperation
f. enlist teachers that can form caring relationships with children
g. provide opportunities for social integration and unity
h. care for co-teachers also affected by traumas, emergencies and disasters

3. Participants of the seminar are division and school nurses and clinic teachers.

4. It is reminded that classes should be managed to avoid disruption as stipulated in DepEd Order no. 9 s. 2015 entitled "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith".
